Compensation Fixed at \$3,600 and Given a Clerk and Stenographer.

Mayor of Richmond at \$3,600 per year and allowing him a clerk who shall be a stcnegrapher were favorably reported from he charter ordinance last night, after a most interesting speech by His Honor, Mayor McCarthy,

ht. dopartment next Wednesday afternoon at 3 o'clock.
Mr. Lynch called attention to the fact that the sanitary condition of the fact tories of the city should be more closely looked into, and this was ordered done. Superintendent Cohn was directed to confer with Dr. E. C. Lovy as to the feasibility of using chemicals to kill grass in the streets.

TAKE BRIDGE MATTER UP.
The matter relating to the proposed free bridge between Richmond and Manchester will be pressed with all possible speed to the subcommittee, along with Colonel Cutshaw and City Attorney Pollard, to The committee seemed deeply interested in all the Mayor said, and it took only a few moments in executive session to act favorably upon the ordinances. In addressing the committee, Captain Mc Carthy, among other things, said:

Carthy, among other things, said:

"Ordinarily it would be a delicate matter for me to come before you to ask an increase in the salary of the postion I hold, but I want to say in the outset, that I am going to deal candiday, and in a business-like manner with the Council at all times. This is my first contact with the committee, and I propose to stand out on this line. "I propose to spend from \$500 to \$1.000 a year in lines which I think will benefit the city. The Mayor ought, by all means, to have a vehicle at his disposal. The head of nearly every department has one, and I expect to buy one out of my salary, and use it as constantly in the interest of the city as at real estate agent uses his buggy in his business.

"The Mayor ought, at all times, to wear clean, decent, respectable clothes. He should keep his hair trimmed; his shoes shined; he should be of proper appearance. Like an army officer, he should ever be ready to meet and great those who come, and make a proper showing. I expect to keep this matter in mind, and I challenge any man to say that in all years he has ever known me to make any attempt at dressing.
